3/27/2020	Brepols	As the Corona virus (COVID-19) continues to spread across Belgium and Europe, Brepols has introduced precautionary measures to ensure the safety of our customers, authors, staff, and their families, thus cooperating to control the spread of the virus. From Monday 16 March 2020, a limited number of employees will report to work at the Brepols offices and warehouse. Others will work from home (teleworking) to handle copy-editing, book and e-book production, database and print distribution. This arrangement allows our employees to work from safe spaces, limiting contact with others, as recommended by our health services. Staff members will be avoiding unnecessary travel. Instead, we will take full advantage of our excellent video conferencing tools to remain in touch with each other and with our clients, authors, and collaborators. We wish you the best and are available to answer any questions that you may have during this period.	http://www.brepols.net/Pages/Home.aspx	Y	Y	Brepols Online Journals Collection ID: brepols.journals Brepols Online Books Collection ID: brepols.ebooks
3/25/2020	Brill	Brill has opened up books and articles on topics such as public health, distance learning, crisis research. If any new related content is published with Brill, it will be added to their collection.	https://www2.brill.com/COVID-19_Collection	Y	Y	Collections from Brill (brill)
